

cutting edge LITE

December

WELCOME TO the final issue of Cutting Edge LITE in 2009.

First of all, season's greetings from all of us at Women in the City. We wish you health, happiness and prosperity in 2010.

We're planning a busy programme of events for 2010 which will include a new award - **Future Leaders**. As the title suggests this award will focus on recognising the talents of professional women in the early years of their careers. Nominations will open during the first quarter of 2010 with the Award ceremony taking place in the summer months. Start thinking now about who you can nominate.

And finally, don't forget to sign up for our first evening event in 2010: **Gems. Investments to make you smile**. To be held on 17 February at The Royal Exchange and sponsored by Boodles and Murray Campbell, Senior Partner, St James's Place you'll have an opportunity to try on some wonderful pieces, learn about gems from an expert gemologist, meet interesting people, sip a glass or two of sparkling wine and go home with a goodie bag (and maybe even a sparkler). Places cost £35+vat.

2009 Woman of Achievement Awards

Our 2009 Annual Lunch and Awards Ceremony held on 27 November was, as always, an inspirational and motivating occasion.

We were delighted to announce **Sacha Romanovitch**, a Partner and member of the National Leadership Board at Grant Thornton as the winner of the Jaguar Woman of Achievement award and **Estelle Clark**, Group Business Assurance Director, Lloyd's Register as winner of the Coutts Lifetime Achievement award.

You can read about all the Woman of Achievement Category Winners and Lifetime Achievement Award Finalists from the Awards page on our [website](#).

If your company would like to sponsor an edition, promote products and services, submit an event listing, or make an editorial contribution to Cutting Edge LITE please do contact me.

We also have opportunities to sponsor our 2010 activities and I will be delighted to meet with anyone interested in knowing more.

With best wishes.
